Performance Notes

This song comes from the collection *More Stories and Songs of Jesus* (Story/Songbook #10417, Stereo Cassette #10418, Compact Disc #10420) and follows the story about Jesus in the Garden of Gethsemane with his disciples. The song is about friendship and trust. Adults as well as children can enjoy this song.

GENERAL USE: Sing in class or beginning catechetical sessions or at home. Read the story and then sing the song; the CD has two versions, one with singing and the other with instruments only. Don't sing all the verses at one time; choose verses suitable to the moment, or what the children have been talking about. It is particularly useful shortly before Holy Week. Let the children make up other verses if they like.

LITURGICAL USES: As a gentle gathering or communion song, for services of reconciliation and as a dismissal song for catechumens. The refrain may also be used without the verses.

VERSE TOPICS:

1. General, Lent, Holy Week
2. General, doubt, anxiety
3. General,
4. Discipleship, reconciliation
5. Confirmation, mission
6. Communion, First Communion
