Assembly Edition

LOVE SO BRIGHT

Gerard Chiusano

1. O tiny babe, sleep beside your mother on this night.
You are born to all the world to shine your holy light.
Do we know the strength you have, even though so small?
Your tiny hands will hold the world and bring peace to all.

Refrain

O ho - ly child, keep us near your flame to-night,
and lift this wea - ry world with your love so bright.
Your joy sur-rounds us, we feel your ten - der might:
keep us safe and close to you with your love so bright.

2. On this night, angels sing in joyous praise to you:
"You were born to be our king and make our hearts anew!"
Your love has come to us, and with your birth the darkness is gone for evermore!
3. Close to Mary now is the beating of our heart,
a heart we know that holds our love and will not be torn apart.
Close your eyes in slumber, you, our newborn king,
brought to us to save our souls that will forever sing:
4. With your coming to us, we shall be strong.
The world has waited for this day, waited for so long.
So, with all the angels we shall sing your praise.
We know that you will guide us through our days!
