Composer Notes

This beautiful melody gained popularity when James Rainbird and the Ambrosian Junior Choir performed it on the soundtrack of the Steven Spielberg film *Empire of the Sun*. In the film, the song is lipsynched by a thirteen-year-old Christian Bale.

The much older original tune is that of the Welsh lullaby “Suo Gân.” The text is one that can be sung for a variety of occasions, and the tune is sufficiently familiar as to invite instant participation when the assembly includes people from diverse liturgical backgrounds. This adaptation includes a verse suitable for use at the Chrism Mass.
