Composer Notes

This Gospel acclamation is suitable on any Sunday outside of Lent, and verses are given for a variety of themes. It is especially suitable at funerals, for which two alternative verses are provided. Verses may be sung by cantor or choir, or even in unison by the assembly.

If the gospel procession is long, sing more than one verse. Save the descant until the final refrain. Instrumental parts are given for variety, especially when the acclamation is sung many times throughout the year.
