

# O CHRIST, YOU SPEAK THE NAMES OF GOD

Capo 1: (Em) tacet Fm (Am6) Bbm6 (Em) Fm (C) Db (Dsus4) Eb (D) Eb (G) Ab

1. O Christ, you speak the names of God In tongues we understand
2. You are the presence of our God, Not hid in cloud or flame
3. You are the wisdom of our God, Whose folly is the cross
4. You are the power of our God, You roll the stone away
5. You are the glory of our God In earth-en lantern borne
6. You are the justice of our God, Whose mercy tempers might:
7. You are the mercy of our God, Soft fallen as the rain,
8. O Christ, you are the voice of God; To hear you, clamors cease,

(C) Db (Em) Fm (D) Eb (G) Ab (Am6) Bbm6 (Em) Fm [(Em) Fm] (C) Db (Dsus4) Eb (D) Eb (Em) Fm

1. To touch and heal the deaf-ened ear With love's al-might-y hand.
2. But clothed in liv-ing flesh of earth Called by a hu-man name.
3. On which you flung your life a-way— And count us worth the loss.
4. From ev-'ry tomb that sear-us in Where sin and death hold sway.
5. To light the way that we must walk, The path your feet have worn.
6. In you is ev-'ry soul set free And ev-'ry wrong set right.
7. To pen-e-trate the hard-ened heart And wash a-way our pain.
8. The rag-ing of our seas falls still, Your ev-'ry word our peace.

**Note:** When guitar and keyboard play together, keyboardists should improvise using the guitar chords above the melody.
