Composer Notes

Each year, pupils in Catholic schools across England collect money for the benefit of the Catholic Children's Societies which not only take care of orphaned children but also have a role in the pastoral care of child victims of sexual abuse. Typically the money is collected throughout Lent, and is presented to the local Bishop at a special Mass after Easter, often close to Good Shepherd Sunday (the 4th Sunday of Easter). After the homily, representatives from all the schools of the diocese process to the Bishop bearing their alms (normally a check in an envelope), or cards stating other charities that the children may have collected for instead of or in addition to the local Catholic Children's Society.

This litany is designed to accompany what may be a lengthy Procession of Alms, which dovetails into the Procession of the Gifts of bread and wine without a break, but part or all of it may be found useful on many other occasions too. It replaces the general intercessions at Mass.
