Performance Notes

My Heart Belongs to You/Te Doy Mi Corazón is a very simple love song to Jesus. Though devotional in nature, it can be sung as a duet (as it is on the recording), which makes it very applicable to a wedding liturgy. It also works well as a praise chorus, sung by one person or an ensemble, and can be used at retreats, youth group meetings, prayer meetings or even at the end of communion during the eucharistic liturgy.
