Performance Notes

Enter the Journey is primarily a gathering song that can be used at any time of the year. The upbeat nature of this piece calls us to celebrate as we face new beginnings. The use of call and response—with the assembly as caller—allows the song to be performed with ease and brings to mind that we all are called to “journey in faith as a family of God.” It is wonderful as a gathering song for the opening of the school year Mass, as a song to send students off to retreat, for the beginning of the Confirmation catechesis program, and a host of other applications. Banners and dance can add to the joy of this song as well.
