Performance Notes

Adapted from the various scripture texts for funeral liturgies, this song features a response which can be picked up very easily by assemblies of any background.

_I Know That My Redeemer Lives_ was written for use as the “song of farewell” in the concluding rites of the funeral liturgy; it may also be used at other times during the Mass or other funeral liturgies.

This song can be led effectively by a single cantor; an optional SATB setting is included for Verse 3.
