Performance Notes

For a number of years now, Delores Dufner, OSB, has been creating liturgical texts of the highest quality. The text of this hymn, previously published in her collection *Sing A New Church* (Edition 9922), inspired what I would call the Shaker-style tune for this setting. The accompaniment is deliberately simple.

You may wish to have cantor(s) or choir sing the verses, with the assembly singing the refrain. Whatever your choice, sing this one with a little dance in your voice.
