Go Ye Out
Performance Notes

To be sent out as disciples of Jesus is both an honor and a lot of work. Yet we need to share the good news with a joyful heart if we are going to be believed. “Go Ye Out” does not reflect the “lambs among wolves” scenario as much as it does the wonderful mission of being sent out into a culturally diverse and beautiful world to “tell all the nations” of God’s love. The high point of the piece is the middle section which is sung and spoken in KiSwahili, Spanish, French and English. Keep the tempo steady, use lots of percussion instruments and smile a lot!
