

## Composer Notes

In this recessional song, we ask God to guide our ministry through the grace and love of his Son, Jesus Christ. It is taken from Saint Paul's idea that his ego must decrease because "it is no longer I who live, but Christ who lives in me" (Galatians 2:19–20). In the same way, we ask that Christ be in our hands as we work, in our lips as we speak and in our hearts as we go to love others.

A simple acoustic guitar is the main engine for this song. Everything else is a nice embellishment. Try to keep it moving so it doesn't drag.

Uses: Recessional Song, Ministry and Mission, Prayer, Faith, Social Concern.

---

*En este canto de salida, le pedimos a Dios que guíe nuestro ministerio a través de la gracia y el amor de su Hijo, Jesucristo. La idea viene de San Pablo con su idea de que su ego debe disminuir porque "no soy yo quien vive sino Cristo quien vive en mí" (Gálatas 2, 19–20). En la misma forma, nosotros le pedimos a Cristo que sea nuestras manos cuando trabajamos, nuestros labios cuando hablamos y que esté en nuestros corazones cuando vamos a amar al prójimo.*

*El motor principal de este canto es la guitarra. Todo lo demás es adorno. Traten de mantener un ritmo fijo y alegre para que no se haga lento.*

*Usos: Canto de Salida, Ministerio y Misión, Oración, Fe, Interés Social.*
