

SING WE NOW THE GLORIOUS MARTYRS

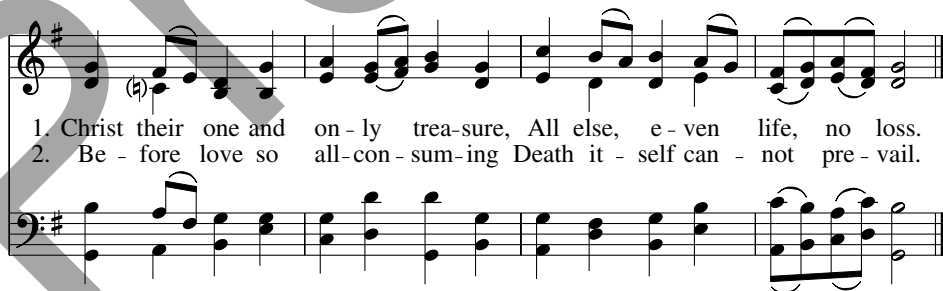

1. Sing we now the glo-rious mar-tyrs, Faith-ful, fall-en, raised on high.
2. Keep a - light up - on our hill-tops Lamps like these, set high a - part,

1. Strong they stood, in ranks of cour-age, Loath to live if truth must die.
2. Flames of faith no night can van-quist, Bea-cons for the faint of heart.

1. Grant to us, O God, their wis-dom That could dare to choose the cross,
2. Let them burn with such an ar - dor That the ver - y dark must quail.

1. Christ their one and on - ly trea-sure, All else, e - ven life, no loss.
2. Be - fore love so all-con - sum-ing Death it - self can - not pre - vail.
