VERSES

1. Down from heights of glory into the depths below, the love of God self-emptied, the love of God to show. You shall light the path before us, the way that we must go.

2. Light for those in darkness, the hungry have their fill, the love of God to show. You shall share your paschal meal, the lowly and the least.

3. Pardon for the sinner, a shepherd for the sheep, in the healing of all ills; for all who thirst and seek, God’s promises fulfilled.

4. To the holy city, Jerusalem, you go; your face set toward the ending, the cross to be your throne. Shall we journey with you and share your paschal road?
