**Refrain 1**

Lead me to the desert if it is your will;  
 lead me into hunger only you can fill.  
 In the barren places, be the river that restores;  
 lead me to the desert where I thirst no more.

**Verse 1**

I do not know the way,  
 nor do I know myself.  
 But I will never face my perils alone,  
 or the shadows without you.

**Refrain 2**

Lead me to the desert if it is your will;  
 lead me into hunger only you can fill.  
 In the barren places, be the river that restores;  
 lead me to the desert where I thirst no more.

**Verse 2**

The well within is dry;  
 my voice is all but gone.  
 But I will lift my eyes, for you are my song  
 when the world has gone silent.

**Refrain 3**

Lead me to the desert if it is your will;  
 lead me into hunger only you can fill.  
 In the barren places, be the river that restores;  
 lead me to the desert where I thirst no more.

**Interlude**

**Verse 3**

And in the dust is life;  
 the drought will be redeemed.  
 My hope shall bloom and rise, for you are the spring  
 that will be my salvation.

**Refrain 4**

Lead me to the desert if it is your will;  
 lead me into hunger only you can fill.  
 In the barren places, be the river that restores;  
 lead me to the desert where I thirst no more.

**Coda**

In the barren places, be the river that restores;  
 lead me to the desert where I thirst no more.
