Composer Notes

This meditative setting, based on Psalm 25, comes from *Advent & Christmas: Prayer for the Journey*, (OCP, print edition 30143362; eBook edition 30143365). Available to listen on your preferred platform as an audiobook, or as CDs (30143363) from ocp.org.

Sing at moments of reflection, commitment, or discernment, either privately or in a liturgy. It works well during the Rites of Christian Initiation of Adults (RCIA), especially during the periods of the Catechumenate and Purification and Enlightenment (Lent).

The verses are most moving when sung by a solo voice with everyone singing the refrain, supported by the optional SATB choir. The instrument parts may be added to provide counterpoint and color to the main melody.
