Performance suggestion: All six verses are appropriate for liturgies in Christmas Time; or, for a shorter version, sing one or both of the two opening verses, one among verses 3–5, then the closing verse. For example, on the Feast of the Holy Family, you might choose verses 1, 2, 3, 6; for Epiphany, verses 1, 2, 6; for Baptism of the Lord, verses 2, 5, 6, etc.
