Composer Notes

I composed "The Waters of Rebirth" for the Baptism of my daughter, Clarity Jean Anne, on the Feast of the Presentation of the Lord (Candlemas). I wrote both the text and the music, choosing a simple musical language so that the words (and the deeper meaning behind them) could remain at the heart of the work.

As I reflected on Baptism, I found myself thinking first about the waters through which every human being enters the world. From there, the poem journeys to the waters of the Jordan at Christ's Baptism before returning to the symbolic waters through which we all continually seek renewal. For me, water is one of the great threads that unites humanity. Water sustains life, transcends cultures and traditions, and reminds us that, despite our differences, we all share a common beginning and a common dignity. My hope is that "The Waters of Rebirth" offers a quiet reflection on love, renewal, and the enduring possibility of new beginnings.
